FIVE STONES

In these times of uncertainty, client Five Stones Church of Waxhaw has done much to communicate with its members and to minister to their needs. Out of this desire, Operation “Rx Hope” was formed. This program has allowed the

leadership to assist not only their members, but it has connected these members with the surrounding community to help them serve others in a way that makes a true difference.

The foundation of RX Hope is beautifully simple. It is built upon the following principles:

A Task Force Team was deployed who has been talking to and planning with local law enforcement, medical staff, and schools to see how Five Stones can best live out their vision of serving others and engaging their neighbors by showing their love for Christ and the US. Currently, they are working on a strategy to convert a portion of their Community

Campus for childcare for First Responders to allow them to be on the front lines. There are other opportunities in the planning stages.

Members have been given the opportunity to help make a difference in the lives of their neighbors such as picking up groceries or prescriptions, a willingness to pray for individuals experiencing illness or anxiety...literally being the hands and feet of Christ and to make a difference in the community.

Sharing life looks a little different these days, but the concept remains the same. We were created for community and connection and Five Stones has paved the way. The church has given people a way to reach out if they are experiencing feelings of panic or anxiety or if they are in need of some other type of assistance.

A portion of the church facility is being used as a food collection and distribution site and members are given the opportunity to assist with providing

It has also allowed their increase in support for those who currently provide supplemental food to in the local schools. You don't have to be a member of Five Stones to help. Drop-off donations are available Weekdays from 11:00 a.m. to 1p.m. and Sundays from 11:30 a.m.—1:00 p.m.

The ministry of Five Stones reaches far beyond what happens on Sunday morning. They are actively seeking to **Be the Church** for those in their care. Members are encouraged to invest their resources so they can continue to be effective in what God has called them to do. Blessings Brokers is proud to partner with Five Stones Church and their work to the glory of God.

COURAGE FOR LIFE

Congratulations to client “Courage for Life,” Women’s Ministry” for being the organization to provide the **very first** all female-voiced Bible App.

“Our calling is simple,” says Ann White, Founder and CEO, “point people to the hope and freedom that can only be found in Jesus as revealed in His Word. That Word—the Bible—is foundational! You have to be in it to be equipped, and you have to be in it to understand

CONGRATULATIONS!

Client eMite has been honored by being named a 2020 Great Nonprofit! We at Blessings Brokers have had the privilege to work alongside these wonderful people and are so very proud of this organization!

The Great Nonprofits Top-Rated Award is the one and only people's choice award where volunteers, donors, and people served by nonprofits are asked to share stories of inspiration, express their appreciation,

and potentially help nonprofits earn a spot on the prestigious Great Nonprofits Top-Rated Nonprofits List.

eMite certainly fits this description so well.

“Our endeavor has always been and will always be to help people,” says Madison Toal, Project Director. “Decades of experience in missionary and philanthropic fields have shown us that there are both resources and great need. We have heard the alarming statistics about how few give. We have seen how much a small amount of money can accomplish if rightly directed in the third world and developing countries. We have seen and experienced the joy of being able to assist those in real need. We at eMite love that feeling, and we want others to experience it. We also believe that once others do experience it they will want more.”

the change that is required in your life. It is complete belief that God is who He says He is, and that His character is as it has been revealed. Appropriating those truths for yourself is the beginning of finding your courage for life.”

Did You Know

There are more verses on giving and money that appear in the Bible than on prayer and faith combined!

First Biblical Campaign—

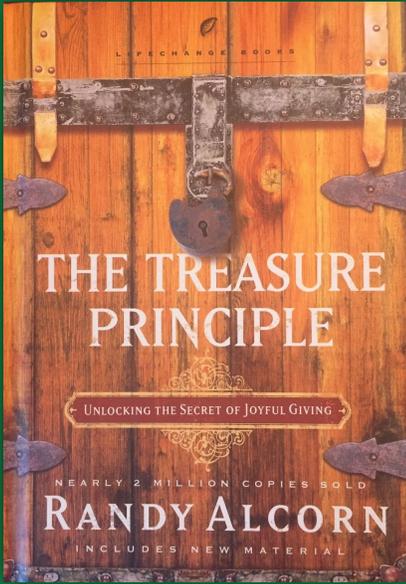

Moses raised funds for a mobile worship center. “And they received from Moses all the contribution that the people of Israel had brought for doing the work on the sanctuary. They still kept bringing him freewill offerings every morning, so that all the craftsmen who were doing every sort of task on the sanctuary came, each from the task that he was doing, and said to Moses, ‘The people bring much more than enough for doing the work that the Lord has commanded us to do.’” – **Exodus 36:3-5**

Generous Church of Macedonia —“For in a severe test of affliction, their abundance of joy and their extreme poverty have overflowed in a wealth of generosity on their part. For they gave according to their means, as I can testify, and beyond their means, of their own accord.”

– **2 Corinthians 8:2-3**

Do you want to learn how to unlock the key to joyful giving?

Read Randy Alcorn's book *The Treasure Principle*. Within these pages you will learn how to live this way personally and translate that to your ministries and organizations.

Blessings Brokers takes Alcorn's advice to heart and we love the "6 Treasure Principles" he provides. In this issue and future issues we will share these principles with you.

1. **God owns everything. I'm his money manager.**

"You can't take it with you — but you can send it on ahead."

2. **My heart always goes to where I put God's money.**

"We are the managers of the assets God has entrusted — not given — to us."

Check our future issues for more of these profound principles
